## **Resolution 2021-1**

### **A Resolution On**

#### **"Censuring State Senator Jeff Mullis"**

**WHEREAS**, State Senator Jeff Mullis, despite holding a powerful and influential position on the State Senate Rules Committee and being a member of the Georgia State Senate exceeding two decades, Mr. Mullis has failed to successfully deliver or promulgate proper and necessary legislation regarding Constitutional Carry. Comments on Mr. Mullis' record can be found during a primary election debate between Mr. Mullis, Mr. Colton Moore, and Mr. Todd Noblitt in May of 2020.

**Whereas**, Mr. Mullis' support of amending Chapter 5 of Title 21 of Senate Bill 221, regarding the ability of the Governor and legislative leaders to raise campaign funds whilst the Georgia General Assembly is in session, underlines Mr. Mullis' disregard for increased potential of corruption of state lawmakers. Senate Bill 221 is a break of precedent long held by both Republicans and Democrats alike.

**Whereas**, Senate Majority Whip Steve Gooch (R) attempted to amend House Bill 333, regarding Chapter 5 of Title 21 in reference to the ability of legislative leaders to raise campaign funds whilst the Georgia State Assembly is in session, at the request of the State Ethics Committee on March 22nd, 2021. This amendment to HB 333 would ban funds and committees linked to state lawmakers from raising campaign contributions whilst the Assembly is in session. Mr. Gooch's amendment was struck from the bill and, after this amendment was removed, Mr. Mullis voted "yea" on the bill once again underlining the blatant disregard for potential corruption of state lawmakers.

**Now, therefore, be it resolved by the** Catoosa County Republican Party that the delegates of this convention do demand moral integrity of the highest caliber be present within the actions, votes, speech, and demeanor of elected officials on every level of government. And do so demand that such individuals who no longer represent their constituency with such integrity be reprimanded. The delegates of this convention understanding this call to moral integrity do hereby censure State Senator Jeff Mullis of Senate District 53.
